

EKATO Webinar France

For several years now EKATO has offered seminars and workshops free of charge that cover topics with respect to process engineering for customers and interested individuals.

Now EKATO FORUM would like to invite you to attend our country dedicated event:

Reduce Downtimes and Save Costs through Efficient Maintenance and Effective Design

Wednesday, May 12, 2021
from 10.00 am – 12.00 pm (CEST)

- **Mechanical Design of Agitators**
- **EKATO ESD Mechanical Seals**
- **Condition Monitoring for Agitators**
- **EKATO Service – Reliability first!**
- **New Products & Developments at EKATO**

EKATO cordially invites you to join this webinar which is exclusively organized for France.

Learn about EKATO's mechanical design and service capabilities and discuss with our experts. We are looking forward to your questions and would be happy to welcome you in this webinar.

For further and detailed information about this seminar, please contact us:
Julia Augustin, Tel.: +49 7622 29-266, e-mail: seminar@ekato.com.

Reduce Downtimes and Save Costs through Efficient Maintenance and Effective Design

Wednesday, May 12, 2021
